Gentlemen,

I think we should include this enquiry in the discussions we will have on Thursday regarding QMSA Communications.

Subject: AMSA State Website

Dear Graeme,

3 years ago AMSA engaged Redback Solutions to build state based website for AMSA member states.

AMSA funded the building and first 3 years hosting of the website.

The site is now due for renewal and I would like to know if you wish to keep the site running

Your site URL is <http://www.qldmensshed.org>

The cost to renew the hosting is \$40.00 ex GST per year.

This price includes access to manuals and training on how to update your site.

Please let me know if you wish to proceed with keeping the site running.

Regards,

Graham
