RE 2015 National Mens Shed Conference

To all AMSA State Associations

As you are all aware the 2013 National Conference is scheduled to be held in Ballarat October 27-29 and at the conference AMSA announces the venue for the next conference.

This conference will be following in the success of the previous 4 conferences and it will be the first time the conference has been held in a major regional centre.

The AMSA wishes to invite State Associations to express interest in hosting the 2015 conference, all such expressions must be made to AMSA in brief format before June 30, 2013.

State Associations that have submitted an interest will then receive notice of the criteria to be addressed within their formal submissions. The Board of the AMSA will then evaluate each submission giving consideration to each point of the criteria addressed prior to announcing the successful State bid at the 2013 conference.

Yours sincerely
